Subscription price of the Offer Shares and the Offer CPS

The subscription price of the Offer Shares of HK\$0.32 each and that of the Offer CPS of HK\$0.01 each is payable in full upon application of the relevant assured allotment of the Offer Shares and the Offer CPS respectively.

The subscription price per Offer Share and Offer CPS was determined after arm's length negotiations between the Company and the Underwriter with reference to, among other things, the necessary funding needs of the Group, the requirement for the Company to make a comparable offer to holders of CPS, the par value of the CPS and conversion ratio of CPS to Shares and the prevailing market price of the Shares.

Since no CPS could be issued below its par value of HK\$0.01 each and given the conversion ratio of 32 CPS into one Share, the lowest permissible subscription price per Offer Share therefore could not be less than HK\$0.32. The Company noted that the Share Offer Price of HK\$0.32 represents a significant premium over the prevailing market price of the Share. In order to encourage the participation of the Qualifying Shareholders in the Share Open Offer, an issue of the Bonus Shares is therefore proposed at the same time to reduce the effective subscription price and accordingly increase the attractiveness of the Share Open Offer.

In February 2014, the Company conducted the February Open Offers for Shares on the basis of one offer share for every ten shares with the issue of bonus shares on the basis of five bonus shares for every offer share subscribed, and a convertible preferred share open offer on a similar

LETTER FROM THE BOARD

basis. The then effective subscription price per offer Share was approximately HK\$0.05334, which represented a discount of (i) approximately 64.4% when compared to the then closing price of the Shares of HK\$0.150 each on the last trading day prior to the publication of the announcement regarding the February Open Offers; and (ii) approximately 53.2% when compared to the then theoretical ex-entitlement price of approximately HK\$0.114 per Share. However, responses to the February Open Offers were not satisfactory as the Company only received acceptance of around 34.3% of the total offered shares whilst no acceptance was received for the offered convertible preferred shares.

The Group recorded net losses for the latest three financial years, and the net assets attributable to the owners of the Company decreased by approximately 93.3% to approximately HK\$58.7 million as at 31 March 2014 (representing around HK\$0.0264 per Share) from approximately HK\$875.3 million as at 31 March 2012. The Group's loss-making track record, the deteriorating financial position as well as the previous unsatisfactory responses to the February Open Offers undermined the Group's capability in the negotiation of the Share Offer Price and the selection of the underwriter for the Open Offers as the underwriter demands for a deeper discount for the Offer Shares to compensate its risk to underwrite the Shares when the Company's recent financial performance was in a declining trend.

The Company noted that the effective subscription price per Offer Share of HK\$0.017 (the "**Effective Share Offer Price**") represents a discount of (i) approximately 86.63% when compared to the closing price of the Shares of HK\$0.133 each as at the Last Trading Day; and (ii) approximately 61.85% when compared to the theoretical ex-entitlement price of approximately HK\$0.0466 per Share calculated based on the closing price per Share on the Last Trading Day. The Company, however, considers the aforesaid discounts are commercially acceptable after taking into account, in particular, the recent market sentiment and the recent open offers conducted by other listed companies on the Stock Exchange.

The Company has reviewed all open offers conducted by other companies listed on the Stock Exchange from 1 April 2014 and up to 30 September 2014 (the "**Recent Period**") and has identified 16 listed companies (the "**Comparables**") (excluding long-suspended companies) which were loss-making for the latest financial year and had made announcements during the Recent Period for their respective proposed open offers.

The Comparables had effective subscription/offer prices at a discount to their respective closing price per share on the last trading day prior to the release of the relevant announcement within a range from a minimum discount of approximately 8.26% to a maximum discount of approximately 91.83% (the "**LTD Market Range**"). The Effective Share Offer Price of HK\$0.017 each represents a discount of approximately 86.63% to the closing price per Share on the Last Trading Day, which falls within LTD Market Range.

LETTER FROM THE BOARD

With regard to the discount of the effective subscription/offer prices to the theoretical ex-rights/entitlement price per share of the Comparables, they ranged from a minimum discount of approximately 5.66% to a maximum discount of approximately 69.21% (the “**TEP Market Range**”). The Effective Share Offer Price of HK\$0.017 each represents a discount of approximately 61.85% to the theoretical ex-rights/entitlement price of HK\$0.0466 per Share calculated with reference to the closing price per Share on the Last Trading Day, which also falls within the TEP Market Range.

The Directors consider that the discount would encourage the Qualifying Shareholders and the Qualifying CPS Holders to participate in the Open Offers, which would enable the Qualifying Shareholders and Qualifying CPS Holders to maintain their respective shareholdings in the Company and participate in the future growth of the Group. The Directors consider the terms of the Open Offers, including the subscription price per Offer Share and Offer CPS, to be fair and reasonable and in the interests of the Company and the Shareholders as a whole.

The Share Offer Price of HK\$0.32 represents:

- (i) a premium of approximately 332% over the closing price of HK\$0.074 per Share as quoted on the Stock Exchange on the Latest Practicable Date;
- (ii) a premium of approximately 141% over the closing price of HK\$0.1330 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (iii) a premium of approximately 143% over the average closing price of HK\$0.1318 per Share based on the average of the closing prices for the last five (5) trading days as quoted on the Stock Exchange up to and including the Last Trading Day;
- (iv) a premium of approximately 138% over the average closing price of HK\$0.1343 per Share based on the average of the closing prices for the last ten (10) trading days as quoted on the Stock Exchange up to and including the Last Trading Day; and
- (v) a premium of approximately 587% over the theoretical ex-entitlement price of approximately HK\$0.0466 per Share calculated based on the closing price per Share of HK\$0.1330 as quoted on the Stock Exchange on the Last Trading Day.

LETTER FROM THE BOARD

Taking into account of the Bonus Shares, the Effective Share Offer Price of HK\$0.017 each represents:

- (i) a discount of approximately 75.98% to the closing price of HK\$0.074 per Share as quoted on the Stock Exchange on the Latest Practicable Date;
- (ii) a discount of approximately 86.63% to the closing price of HK\$0.1330 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (iii) a discount of approximately 86.51% to the average closing price of HK\$0.1318 per Share based on the average of the closing prices for the last five (5) trading days as quoted on the Stock Exchange up to and including the Last Trading Day;
- (iv) a discount of approximately 86.76% to the average closing price of HK\$0.1343 per Share based on the average of the closing prices for the last ten (10) trading days as quoted on the Stock Exchange up to and including the Last Trading Day; and
- (v) a discount of approximately 61.85% to the theoretical ex-entitlement price of approximately HK\$0.0466 per Share calculated based on the closing price per Share of HK\$0.1330 as quoted on the Stock Exchange on the Last Trading Day.

Qualifying Shareholders and Qualifying CPS Holders

The Company has sent the Prospectus Documents to the Qualifying Shareholders and the Qualifying CPS Holders only. For the Excluded Shareholders and Excluded CPS Holders, the Company has sent copies of the Prospectus (without any Application Forms) to them for their information only.

To qualify for the Open Offers, a Shareholder or a CPS Holder must have been registered as a member of the Company or a CPS Holder respectively at the close of business on the Record Date and must be a Qualifying Shareholder or Qualifying CPS Holder respectively.

Certificates of Offer Shares, Offer CPS, Bonus Share and Bonus CPS

Subject to the conditions of the Open Offers, certificates for the Offer Shares, Bonus Shares, Offer CPS and Bonus CPS are expected to be posted on or before Friday, 19 December 2014 to those Shareholders or CPS Holders entitled thereto by ordinary post at their own risks.

Rights of Overseas Shareholders and Overseas CPS Holders

The Prospectus Documents will not be registered or filed under the applicable securities or equivalent legislation of any jurisdiction other than Hong Kong. Based on the register of members and CPS Holders of the Company as at the Latest Practicable Date, there were five Overseas Shareholders with addresses in the BVI, Taiwan, the PRC and Spain and four Overseas CPS Holders with addresses in the BVI, the Republic of Panama and the United States of America.

The Company has complied with all necessary requirements specified in Rule 13.36(2)(a) of the Listing Rules (including Notes 1 and 2 thereto) and has made enquiry with its legal advisers regarding the feasibility of extending the Open Offers to the Overseas Shareholders and Overseas CPS Holders under the laws of the relevant jurisdictions and the requirements of the relevant regulatory body or the stock exchange.

LETTER FROM THE BOARD

Based on the advice of the relevant foreign legal advisers, the Directors are of the view that (i) it is inexpedient to extend the CPS Open Offer to the Overseas CPS Holders in the United States of America, due to the time and costs involved in the registration of the Prospectus and/or compliance with the applicable legal or regulatory requirements or special formalities in this jurisdiction if the CPS Open Offer is to be lawfully made to such Excluded CPS Holders; and (ii) it is expedient to extend the Open Offers to the Overseas Shareholders and the Overseas CPS Holders in the BVI, the PRC, the Republic of Panama, Spain and Taiwan as there are no legal restrictions prohibiting the Open Offers in these jurisdictions and no local legal or regulatory compliance is required to be made in these jurisdictions.

Based on the above and given that the registers of members and CPS Holders of the Company has been closed from Monday, 24 November 2014 to the Record Date and no transfer of Shares and CPS has been registered during the book closure period, accordingly, (i) there will be no Excluded Shareholders and (ii) the Company will not allot the Offer CPS and the Bonus CPS to the Excluded CPS Holders. The Company has sent the Overseas Letter together with the Prospectus, for information only, to the Excluded CPS Holders.

It is the responsibility of any person outside Hong Kong who wishes to receive the Offer Shares, the Bonus Shares, the Offer CPS and the Bonus CPS to comply with the laws of the relevant jurisdiction(s), including the obtaining of any governmental or other necessary consents and compliance with all other formalities. Such Overseas Shareholders or Overseas CPS Holders should consult their professional advisers as to whether they require any governmental or other consents to enable them to take up the Offer Shares, the Bonus Share, the Offer CPS and the Bonus CPS. No Shareholder or CPS Holder receiving a copy of the Prospectus in any territory outside Hong Kong may treat the same as an invitation to subscribe for Share(s) or CPS unless in the relevant territory such invitation could lawfully be made to him/her/it without the Company having to comply with any registration or other legal requirements, governmental or regulatory procedures or any other similar formalities.

No application for excess Offer Shares and Offer CPS

There is no arrangement for application for the Offer Shares and Offer CPS by the Qualifying Shareholders and the Qualifying CPS Holders respectively in excess of their entitlements. Considering that each Qualifying Shareholder and Qualifying CPS Holder will be given an equal and fair opportunity to participate in the Company's future development by subscribing for his/her/its proportionate entitlement under the Share Open Offer and the CPS Open Offer respectively, if application for excess Offer Shares and Offer CPS is arranged, the Company will be required to put in additional effort and costs to administer the excess application procedures, which is not cost-

effective from the viewpoint of the Company. Any Offer Shares and Offer CPS not taken up by the Qualifying Shareholders and the Qualifying CPS Holders will be taken up by the Underwriter pursuant to the terms and conditions of the Underwriting Agreement.

It is emphasised that none of the Company, the Directors or any other parties involved in the Open Offers accept responsibility of any tax effects or liabilities of holders of the Offer Shares and the Bonus Shares and/or the Offer CPS and the Bonus CPS resulting from the application for, holding, disposal of, or dealing in the Offer Shares and/or the Offer CPS.

REASONS FOR THE OPEN OFFERS AND USE OF PROCEEDS

The Group is principally engaged in (i) provision of tree felling services; (ii) sustainable forest management, investment and leasing in natural forests; (iii) manufacturing and sale of timber products including but not limited to wooden door, furniture and wooden flooring; (iv) the business

LETTER FROM THE BOARD

of licensed travel agent under the Travel Agents Ordinance (Chapter 218 of the Laws of Hong Kong); (v) property investment; and (vi) money lending business pursuant to the Money Lenders Ordinance (Chapter 163 of the Laws of Hong Kong).

In order to diversify the business portfolio and broaden the income base of the Group, the Company, through its wholly-owned subsidiary, has commenced its money lending business pursuant to the Money Lenders Ordinance of the Laws of Hong Kong since late August 2014. The Group's money lending business is principally the provision of mortgage loans to individual/corporate borrowers who are mainly referred by property agents in Hong Kong. The Group assesses the credibility of the borrowers through, among others, (i) obtaining credit rating report of the individuals from recognized credit reference agencies in Hong Kong; (ii) requesting the borrowers to submit supporting information about their financial position, including the salary proof of the individuals/the audited financial statements of the companies, the tax assessment notice issued by the Inland Revenue Department of Hong Kong or overseas tax authorities and an exhaustive list of the existing outstanding debts payable by the borrowers; and (iii) evaluating the market value of the underlying property to be mortgaged to the Group. In September 2014, the Group has provided loans with the term of three months to two separate borrowers who are third parties independent of the Company and its connected persons. The principal amount of the aforesaid loans are HK\$5.5 million and HK\$10.0 million respectively, with respective interest rate of 12% and 11% per annum. In October 2014, the aforesaid loan with principal amount of HK\$10.0 million has been fully settled by the borrower while a new loan with principal amount of HK\$9.8 million at interest rate of 10.5% per annum has been lent to a borrower who is third party independent of the Company and its connected persons for a term of one year. The Company expects that the interest income to be generated from its money lending business will strengthen the Group's income base and therefore, the Company intends to continue to expand in this particular sector. In order to further expand the money lending business by increasing the amount of loans to customers to generate more interest income, the Company will need to look for additional financial resources to finance the expansion.

The Company will raise approximately HK\$118.8 million before expenses from the Share Open Offer. Pursuant to the terms of the CPS, if the Company makes any offer by way of rights of Shares to all Shareholders, the Company shall offer CPS to the CPS Holders at the same time and on the same terms as the Shares are offered. Accordingly, the Company has also extended the CPS Open Offer to the CPS Holders. The Company will raise approximately HK\$4.0 million before expenses from the CPS Open Offer. Accordingly, the Company will raise approximately HK\$122.8 million before expenses from the Open Offers.

LETTER FROM THE BOARD

The net proceeds from Open Offers are estimated to be approximately HK\$117.9 million. The Company intends to apply the net proceeds from Open Offers as to: (i) approximately HK\$80 million for the expansion of money lending business in Hong Kong; (ii) approximately HK\$20 million for investment(s) in and/or working capital for new business, including but not limited to, catering business in Hong Kong, as and when suitable opportunities arise; (iii) the balance for general working capital of the Group, including but not limited to, payments of corporate and operating expenses. Based on the net proceed of approximately HK\$114.0 million from the Share Open Offer, the net price of each Offer Share is approximately HK\$0.30716. Based on the net proceed of approximately HK\$3.9 million from the CPS Offer divided by the number of the Offer CPS, the net price of each Offer CPS is approximately HK\$0.0097.

The Company noted the possible dilution effect as a result of the Open Offers. Nonetheless, the Board considers that the possible dilution effect should be balanced against the following factors including that:

- the Independent Shareholders had been offered a chance to express their views and those who attended the SGM had expressed their views on the terms of the Open Offers and the Underwriting Agreement through voting on the relevant resolution at the SGM;
- Qualifying Shareholders are offered to subscribe for their pro-rata Offer Shares for the purpose of maintaining their respective existing shareholding interests in the Company at a steep discount as compared to the prevailing market price of the Shares;
- the discount represented by the Share Offer Price would encourage the Qualifying Shareholders to participate in the Share Open Offer and accordingly maintain their shareholdings in the Company. This is a common practice in open offer conducted on the Stock Exchange. As discussed in the paragraph headed “Subscription price of the Offer Shares and the Offer CPS” above, the discounts represented by the Share Offer Price fall within the range of those of the Comparables; and
- the dilution impact should not be considered in isolation and should be assessed against the potential benefits of the Open Offers, including but not limited to, the strengthening of the Company’s capital base and enhancement on its financial position following completion of the Open Offers which will allow it to, inter alia, grow and develop its existing and new businesses.

LETTER FROM THE BOARD

The Open Offers will strengthen the Company's capital base and enhance its financial position. The Board believes that the Open Offers will provide the Qualifying Shareholders with an opportunity to maintain their respective pro rata shareholdings in the Company and to participate in the future growth and development of the Company. In addition, the issue of Bonus Shares and Bonus CPS will be an additional incentive for the Shareholders and the CPS Holders to take part in the Open Offers. In this regard, the Board considers that the Open Offers are in the interests of the Group and the Shareholders as a whole.

FINANCIAL AND TRADING PROSPECT OF THE GROUP

The Group is principally engaged in (i) provision of tree felling services; (ii) sustainable forest management, investment and leasing in natural forests; (iii) manufacturing and sale of timber products including but not limited to wooden door, furniture and wooden flooring; (iv) the business of licensed travel agent under the Travel Agents Ordinance (Chapter 218 of the Laws of Hong Kong); (v) property investment; and (vi) money lending business pursuant to the Money Lenders Ordinance (Chapter 163 of the Laws of Hong Kong).

As disclosed in the Company's annual report for the year ended 31 March 2013 ("AR 2013"), the Group's business has been facing successive challenges due to the prolonged instability of the global economic condition. The demand for the Group's timber products remains sluggish. The revenue of the Group in continuing operations was decreased by approximately 33.79% to approximately HK\$76.6 million for year ended 31 March 2013.

It was stated in AR 2013 that the business environment continued to be difficult for the Group in Brazil. In March 2012, the Board decided to suspend the tree felling and sustainable forest management operations in Brazil and as at the Latest Practicable Date, the Group's tree felling and sustainable forest management operations in Brazil remained suspended.

As mentioned in AR 2013, demand for the Group's timber products remains sluggish as the slowdown of the economy and real estate sector has continued. In such circumstances, the Company expects that the Group's operations in Zhongshan, being the manufacturing and sales of timber products, would likely to continue to be disappointing.

As disclosed in the Company's annual report for the year ended 31 March 2014, the Group's revenue further decreased by approximately 16.6% from HK\$76.6 million for the financial year ended 31 March 2013 to HK\$63.9 million for the year ended 31 March 2014. The demand for the Group's timber products remains sluggish.

LETTER FROM THE BOARD

For the financial year ended 31 March 2014, Acre's operations remained suspended. On 5 June 2014, the Board changed the operation model in Acre from own harvesting to leasing out the forest in Brazil so as to enhance the income stream of the Group. The Group is actively negotiating terms and conditions with potential lessees relating to the Group's forest in Brazil. However, as at the Latest Practicable Date, the change in operation model has not been crystallized and no lease relating to the Group's forest in Brazil has been entered into by the Group.

The Directors believe that the uncertain market conditions and poor demand for timber products would continue to affect the Group's near term outlook for its existing businesses. The Group has carried out aggressive cost cutting measures and will continue to tightly manage all expenses in the period ahead.

On 5 December 2013, the Company announced the acquisition of a 95% equity interest in Travel Inn Limited, the completion of which took place on 18 February 2014 in accordance with the terms and conditions of the Sale and Purchase Agreement. Upon completion of the acquisition, Travel Inn Limited has become a 95% owned subsidiary of the Company, and the financial results and assets and liabilities of Travel Inn Limited will be consolidated into the financial statements of the Group. Travel Inn Limited is a licensed travel agent under the Travel Agents Ordinance of Hong Kong and is principally engaged in the provision of travel packages, including but not limited to airline ticketing, hotel and accommodation bookings, cruise holidays and other transportation arrangements, to retail customers in Hong Kong. Despite the keen competition in the market, the sale performance of the Group's travel business from the retail customers has remained stable following completion of the Sale and Purchase Agreement on 18 February 2014. The Company is positive about the outlook of travel industry in Hong Kong and will put efforts and resources in maintaining the operation of the Group's travel business. The acquisition of Travel Inn Limited and Good Magic Limited enables the Company to diversify into the businesses of licensed travel agent under the Travel Agents Ordinance and property investment and broaden the income base of the Group.

In addition, the Company acquired the entire equity interest in Good Magic Limited, an investment holding company which holds 3 residential properties (the "**Properties**") in Hong Kong. The Properties are currently leased out to 3 different tenants who are third parties independent to the Company. The tenancy agreements on the Properties are expiring on 30 April 2015, 14 May 2015 and 30 June 2016 respectively, and the aggregate monthly rentals receivable from the lease of the Properties are HK\$54,500.

In order to diversify the business portfolio and broaden the income base of the Group, the Company, through its wholly-owned subsidiary, has commenced its money lending business pursuant to the Money Lenders Ordinance of the Laws of Hong Kong since late August 2014.

LETTER FROM THE BOARD

In September 2014, the Group has provided loans with the term of three months to two separate borrowers who are third parties independent of the Company and its connected persons. The principal amount of the aforesaid loans are HK\$5.5 million and HK\$10.0 million respectively, with respective interest rate of 12% and 11% per annum. In October 2014, the aforesaid loan with principal amount of HK\$10.0 million has been fully settled by the borrower while a new loan with principal amount of HK\$9.8 million at interest rate of 10.5% per annum has been lent to a borrower who is third party independent of the Company and its connected persons for a term of one year. The Company expects that the interest income to be generated from its money lending business will strengthen the Group's income base and therefore, the Company intends to continue to expand in this particular sector.

The Group will continue to devote its resources in the operation of travel agent business, property investment business and money leading business. At the same time, the Group will also continue to identify new business opportunities with the view to diversify its business portfolio and improve Shareholders' value. The Company will give priority to consider investment opportunity(ies) that can provide the Group with a stable revenue stream as and when suitable opportunities arise.
